EMPATHY
Peer Mentoring

• What does it mean?
• What is the link between the two?
THEORY EMPATHY

• Carl Rogers
• Active listening
ROLL- PLAY

• Scenarios given

• Prepare with your group

• Approximately 10 minutes

• Play the scenario
ROLL- PLAY

•  Scenario 1 = Group 1
A mentee does not get along with her fellow peer in her seminar class, she then came up to her mentor telling them about her situation, asking for advice regarding she does not want to be in the same seminar group. Now discuss how would you empathy with that particular student and how what would you advise her to do.

•  Scenario 2 = Group 2
A mentee came up to you and told you she shared her work with her friend, and now the friend has used her work within her own essay. She does not know how to console her friend and does not want to lose the friendship, what shall she do in this situation?

•  Scenario 3 = Group 3
A mentee was told by her lecturer her work was not good and she had to improve her assignment, this mentee is stressed out as they have a lot of assignments due in and is struggling with keeping up and doesn’t seem to understand her feedback because it was not clear enough for to learn from that particular assignment. And feels isolated and not knowing what to do. How would you help this mentee out?
DEBATE/DISCUSSION

• Two groups in debate/discussion
  • One group discusses and shares when not to have empathy
    • Other group when you have to show empathy
  • Take 5 minutes to discuss
  • Feedback to all
